

Dear Seniors and Woodbridge Families,

As we continue to build our school culture, increase school spirit, and support student council events, the administration of Woodbridge Senior High School has agreed to allow senior students to paint their parking spaces. There are a limited number of spaces available for painting, choosing to decorate your space allows you to not only personalize your space, but creates a dedicated parking space for you, during school hours.

The cost of parking fees at Prince William County Schools is \$100 per space—this cost is set by the school division. If you would like to paint your parking space, the cost is an additional \$25, which is non-refundable. Both payments may be made in cash, check, or money order to Woodbridge Senior High School; however, they must be paid separately: one check for \$100 and one check for \$25.

For \$25, students may paint a pre-approved design of their choice. To participate, seniors must:

- Purchase a Woodbridge Senior High School parking permit from Mr. Jenkins
- When purchasing your parking permit, you must also bring the following items in order to claim your paintable parking space:
 - A signed copy of the “Painted Parking Space Contract” (attached)
 - Your proposed design for your parking space for approval (attached). Please make a copy or take a picture for your records.
 - Cash, check, or money order for \$25 made out to Woodbridge Senior High School
- If you are wanting to reserve parking spaces with a group of individuals, all students must be present with paperwork completed when coming to purchase the parking spots. They cannot be held for individuals who are not there at the time of purchase.
- Painting will take place on the following dates: Saturday, September 28, 2019 (8am-12pm) & Saturday, October 5, 2019 (8am-12pm). Other dates may be added at the discretion of administration

Parking Space Decorations Expectations

Students will submit a design for approval prior to being able to purchase and choose a parking space. The design should be completed on the “Senior Parking Design Request” form. This should be completed in color and be an exact representation of what you plan to paint on your space. Adjustments to designs will not be permitted on the day of painting. Once submitted, all designs will be approved by administration. Students are expected to paint over their design in black, water-based latex exterior paint, prior to graduation.

Because these designs will be displayed on school property and could have the appearance of being school and school-district endorsed, designs that are religious, political, or controversial in nature will not be approved. The administration of Woodbridge Senior High School reserves the right to not allow any design that it deems offensive or controversial. The judgment of appropriateness of design is at the sole discretion of the school administration.

Prohibited designs include, but are not limited to:

- Offensive language, pictures, or symbols
- Negative or rude language
- Gang-style tagging
- Double entendre (double meaning)
- Other student’s names or likeness
